The state of the s ON BOARD THE CUNARD R.M.S. "ASCANIA". August 29, 1926. Dear Hew, .. Here I am setting down to answer your good letter of hovember 1924. I put it ascele among letters for which no answer was urgently needed, with this sad result, los I do want much to beef in touch

with you, seew old man. Thanks for your good wisher on my approaching marriage, They've come true, for marriage has proved a wonderful source of happiness. How much I gain from one who is 20 much better them I. Jaque with what you wrote about heople trying to cut the gospel to fit sufellectual theories. We Christians don't have nough of the cross of Christ en our unnost lever. I know I don't Did you ever meet Frank Buchman! Probably you've heard of him. The Spirit hers there used mightly an apparently narrow minded, mattractive man. Much I ove to him + his housepartresa spiritual robirth. If you haven't read Beglie's Mote Lwice Born Man

(Protram) do so. Don't bother about Begbre's explanations, remember the stories of changed + changing lives. I be had the vision but I beef falling as miserably Eleanor Threached the States in April , now we're headed boels again after a delightful vacation with our families. My South India & Jim do may work in the village schools! with cordical hegards,
